## The Snow Fest...

According to all the reports, the Snow Fest went off without a hitch, (*too much sun*) and was the first of many wintery days to come to Flagler County.

The trucks showed up, it snowed, and voila you have a Snow Filled slide, a large area perfect for flinging snow balls at one another, and yes, this was in Florida, believe it or not.

The Flagler County Education Foundation found out that snow brings great things to Flagler County, in the form of a check for \$4000.00 which was handed over to Joe Rizzo from Joe Mullins, who put the event together from the start.

Some members showed up to help with the festivities and fun was had by all, especially those Floridians who have never seen snow before.

This will be a yearly event if seems as the county proved it was a very entertaining day. Future events promise to be bigger, better and even snowier than the county has ever seen.

Forecast:

## DCM Scheduled...

Saturday morning our Division Council Meeting will be held in Holly Hill and hopefully we can get a good turnout from the club for this. It is an early start, with the meeting beginning at 9:00am, and will run till 11:30am, but a vast array of knowledge and information can be had by attending.

These meetings are a great way to learn more about Kiwanis in general, and how things get done in our Division.

The Holly Club, along with the Daytona Beach Club will be hosting the meeting and below are the directions to the "Clubhouse" as they call it.

Several important positions will be up for election in the upcoming new year for Kiwanis and we can help shape the next set of officers, and the happenings in Florida.

Please let me know ASAP if you can make it to the DCM as we have until Thursday to put our name in the pot.

**1064 Daytona Ave., Holly Hill** (right behind the Holly Hill City Hall). Ridgewood Ave. (U.S. !) and LPGA

## Up Coming Thoughts...

We will be heading into a few events in the near future, with them come fun, comradery, and yes, hard work...not physically, but just good hard work.

In April we will be handing out the Matanzas High School Key Club Scholarship. It is a Grand Affair which is held at Flagler Auditorium. Many, many scholarships are handed out during the night to some well deserved students who have proved they deserve the help to further their schooling towards the field of employment they have chosen. We hope one day, to be able to hand out the Maria Mychaniuk Scholarship, which will most defiantly top the list of scholarships handed out in the county.

In April we have the Relay For Life event where we have children handing out stuffed animals to the Cancer Survivors as they make their way around the Lake at town center. It truly is a spected to see in person so keep this mind as a Must Be At Event.

We have Teacher Appreciation Week coming up on May 7th, to May 11th. As you may know, or will learn, what it is we do here in our Kiwanis world...basically we hand wrap more chocolate chip cookies than Publix sales in a year...well thats' the way it will look when you walk into the room and see those trays, many trays, of chocolate heaven, just sitting there on the racks, waiting to be wrapped into a neat little packages which will be handed off to the teachers of Flagler County for the never ending labor of love they share with our children.

It usually turns into a laugh fest after it gets into the wrapping, tagging and boxing the cookies. Don't miss this event!!

More to come so stay tuned to this local station for updates and reports.

## The Power of Observation..

The famous detective Sherlock Holmes and his friend Dr. Watson once went on a camping trip. They pitched a tent, went fishing, ate their dinner and prepared for bed.

As they lay down for the night, Holmes said: "Watson, look up into the sky and tell me what you see."

Watson replied, "I see millions and millions of stars." "And what does that tell you?"

Watson, knowing his friend's amazing power of observation and deduction, thought carefully before answering. "Astronomically, it tells me that there are millions of galaxies and potentially billions of planets," he said. "Theologically, it tells me that God is great and we are small. Meteorologically, it tells me that we will have a beautiful day tomorrow. What does it tell you, Holmes?"

Holmes answered calmly. "Watson, old friend, it tells me that somebody has stolen our tent."

## OUR SUPPORT TEAM!!

We are lucky to have Championed with these fine sponsors in the past and their continued support is a main cog in our wheel of giving back to the community. Over the last few years, they have shared with us some great giveaways and other opportunities to help give back to the children of Flagler County.

## THE SIX OBJECTS OF KIWANIS

- Object 1** - To give primacy to the human and spiritual rather than to the material values of life.
- Object 2** - To encourage the daily living of the Golden Rule in all human relationships.
- Object 3** - To promote the adoption and the application of higher social, business, and professional standards.
- Object 4** - To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
- Object 5** - To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- Object 6** - To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.
