## The Month Ahead...

April is gearing up to be a very busy month for us here in our Kiwanis world. It will be an exciting few months to say the least.

April 6th we will be at the First Friday Event in Flagler Beach. We will have a spot in the usual section, Booth #5 right in front of City Hall on Central Ave.

Times are 6pm ~ 9pm with set up at 4.30pm. Please sign up or let it be known if you can attend for any time slot. Most definitely need help with set up and take down, with members greeting passer-bys during the event. We hand out books for children, and basically let people know about us and what we do here in KIWANIS.

April 19th is the Scholarship program at the Flagler Auditorium. we will be handing out the Matanzas High School Key club Scholarship to one of our outstanding students and Key Clubber. This club has grown in the past few years probably tripling their membership over the last few years. They are doing great things and support themselves very well under the leadership of Kathy Summerlot, School Advisor, and PP Maria who is our Club Advisor.

Hopefully, very soon, we may be able to hand out our Maria Mychaniuk Scholarship at the event which will change some lucky seniors' life and future. The 4 Year Scholarship as you know will be \$4000.00 for 4 years. WOW

April 20th, the next day, yes the next day, we will be at Town Center Palm Coast for the Relay For Life event. Our kids will be handing out medallions, along with stuffed animals to the survivors who take the first lap around the lake.

In addition, we will have a booth set up with Gift Baskets for the taking to raise funds. Possibilities are endless with baskets so we will work on the contents with a lot of good ideas coming in already.

Let's get a good gathering of members there to help spread the K word.

Stay close for details on all these projects...

## DCM ...

Last Saturday morning our Division Council Meeting was very interesting to say the least with new officers coming forward in the new year here in Kiwanis.

Members from Division 7 clubs gave reports and shared their ideas and events, with a lot of the clubs heading in the same direction as other clubs...ie all clubs are working hard, and moving forward in helping the children and families in their areas.

A wealth of knowledge is always on the slate for these meetings as the "leaders" of our division work hard to give support and help to those in their communities. It is amazing what gets done in our little corner of Kiwanis.

Some Kiwanis big hitters share our division as you know as we have Past Governors, Past Lt. Governors, Past & Present FL Trustees right here in our back yards.

PP Allen was there supporting his position as FL Division Gov. Todd Smiths Advisor. Explaining whats' going on in the Florida Kiwanis and about things to come in the near future.

Having taken a leave of absence from the club, Alan Burton was voted in to replace his position as FL Trustee. Also from Division 7 is Joseph Pinello, President of the Holly Hill club, who will be Lt. Governor for the upcoming Kiwanis New Year.

## Important Future Dates...

## Governor Visit...

Florida District Gov. Todd Smith will be visiting our division on May 12 at the Gov. Visit & Club Summit in Sanford at the FL Kiwanis Offices.

Gov. Todd, along with Stewart Ross, the FL Kiwanis Formula Chair will present the workshops to help clubs strengthen their membership growth, along with a host of other ideas which will help us all move forward in getting the help we need to help our kids, and their families.

This will be a 4 hour workshop to be hosted by 2 or more divisions. Topics will include strengthening your club, making your club attractive to new members, how to invite people to join, and creating a strategic plan for your club's success.

Please, please try to attend this event and let me know if you are interested in going. Possibly we can car pool if needed!

## ~~Jeans~~ Shoe Drive...

It seems we did so good (under the guidance of KOTY Karen) on our jeans drive last year there is still an abundance of Jeans left on the shelves. Quite possibly we will be collecting shoes to distribute throughout the county.

Karen may have some info for us at the meeting so stay tuned.

## Quotable Quotes...

I know many people have said it before, but there is nothing a cup of coffee and a new pair of shoes can't fix!

## Peanut Butter & Jelly...

The famous sandwich will never die!! Let's start a collection once again of jars of Peanut Butter and Jelly to distribute to the local food banks.

This project was used by PP Allen during his year as FL Governor.

We will discuss this very soon and hopefully we can get some collection sites together and maybe use some of the Jeans Bins (unless they're full of tennis shoes) to gather the goods!

## OUR SUPPORT TEAM!!

We are lucky to have Championed with these fine sponsors in the past and their continued support is a main cog in our wheel of giving back to the community. Over the last few years, they have shared with us some great giveaways and other opportunities to help give back to the children of Flagler County.

## THE SIX OBJECTS OF KIWANIS

- Object 1** - To give primacy to the human and spiritual rather than to the material values of life.
- Object 2** - To encourage the daily living of the Golden Rule in all human relationships.
- Object 3** - To promote the adoption and the application of higher social, business, and professional standards.
- Object 4** - To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
- Object 5** - To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- Object 6** - To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.
