Maria Mychaniuk Scholarship....

This years scholarship program hit a few curves in the road on the way to picking a recipient but with our man in the mix all is good in the Kiwanis Scholarship World.

“Our Man” you ask? Well once again, and after all the cookies were baked, **Mr. Tommy G.**, along with help from Karen & Beth & the FL Kiwanis Scholarship Committee, narrowed the field down from sixteen, to four, to two with one of them walking away with this fabulous scholarship.

As you may know, the scholarship is handled basically by the FLKSC and there are certain steps in the process that must be met.

Typically we have had only a few responses to the scholarship as it was set up through Kiwanis, but this year we wanted to open the scholarship to more students and it was included with the standard site for applying through the Award Spring site.

In the end, the Scholarship Committee voted to allow us to use all the scholarships sent it for this year only. After this year all scholarships will have to go through the Kiwanis site (format) or will not be accepted.

We are hopefully going to get all applications accepted somehow so all who put in apps will be available to actually get the scholarship.

As mentioned, the field of recipients has been narrowed down to just two students and one of them will walk (*or dance*) away with the \$16,000.00 Maria M. Scholarship. WOW!!

Plans are being made to possibly invite the winner and present them with the great news at our June 5th meeting.

Hopefully we can invite them on the premise of having them tell us why they think they deserve the scholarship, and then say, “Ok! Its’ yours”!!

Cookie Wrapping....

A World Record was broken at the Hilton Garden Inn recently... Approximately 500 cookies (some didn't make it to the bags) were counted, wrapped, tagged and bagged in around an hour and a half Monday evening...

Mary, Gail, Rita, Kay, the Newsletter Guy, and supervisor Mr. Tom Grimes went through the cookies with ease and precise wrapping technics. Assisting were members of the Key Club along with Teacher Advisor Kathy Summerlott.

Teachers are at the hub of our community and hold true in their hearts and minds the fact that it is their job to do whatever it takes to give their students the best chance to excel in their education. Countless personal hours (and personal expenses) are spent supporting their students.

The Key Club is doing great things this year and obviously will continue to grow with the changing times in the Kiwanis world.

Fund Raising Idea...

We will have a guest speaker talking to us about a local fund raiser that we can be involved with if accepted by the Board and members.

Prez Elect Les has been working on a few on-going fund raisers and this one might fit right in for us as far as doing an easy, and an going, income bearing fund raiser.

You may have heard of the Savor Card which gives several different types of discounts at area restaurants and a host of other services rendered through out the county. It may work for us to have at First Fridays and other events we do.

Important Future Dates...

MAY 15 • REGULAR MEETING

• FUND RASING IDEAS with SPEAKER

Terrific Kids...

It was the last Terrific Kids program of the year and it was a great one!! The room was packed to capacity, and the Terrific Kids showed up to strut their stuff across the stage with their medallions and certificates.

Members Mary & Stan, along with Allen, Gail, Kay and Rita handed out the awards to the students picked by their teachers who have excelled in their school work. It is a grand spectacle no matter how many times you have seen those little faces come across that stage like they were at the Academy Awards (*side note this was better than the Academy Awards this year*). We will continue this service for as long as the school lets us!!

And The Nominees Are...

We have a few Board Member positions up for election as well as the President Elect slot. Please nominate someone, or yourself if you want to serve the club.
