Scholarship Hopefuls Visiting...

We have some special guests coming to talk to us about why they think they should be awarded this wonderful scholarship.

Sierra Seamon will be visiting us and speak about the scholarship and how she will proceed if she is awarded this wonderful gift from Miss Maria.

She was also awarded the Matanzas High School Key Club Scholarship from our club! She had the highest number of service hours with the club so we know she is a hard worker just for putting in the time and effort all the time.

She has a long list of accomplishments in and out of the school confines and her future is in her hands and she is making great strides to ensure a healthy, prosperous future.

Quotable Quotes...

Promise me you'll always remember: You're braver than you believe, and stronger than you seem, and smarter than you think.

Florida Kiwanis Convention...

Registration is now open for the upcoming FL Convention in August. The sight will be the beautiful Orlando Marriott World Center August 23-26, 2018.

All rooms are blocked for Kiwanis members at great rates! If you haven't attended a convention yet, our Tenth Year Birthday would be a great way to start your convention experiences.

There are several things to do at the conventions such as attending the many workshops that are there for the taking. All entries can be done very easily on the website for the property.

Every year there are many topics that change the everyday dealings of each individual clubs that are discussed and voted upon in the House of Delegates. Members from all divisions vote on hot topics and it is a very separated vote...a lot of different ideas, wants and needs come out in the House of Delegates.

Some topics, after voting, can change the ways we do business, to how much membership dues will be in the future. This topic is always hot on the burner and dues are always on the agendas in the House.

It's a great venue. The food is always above par, and the service is out of this world during these conventions. It really is a great weekend of work, friendship and realizing it does matter what we do here in our corner of the Kiwanis World.

First Fridays...

We will try again next month, as everyone else will, to hit the streets of Flagler Beach for the First Friday event in Veterans Park, Flagler Beach.

Les and his crew of Cherie, Kim, along with Bob & Sally were set up and ready to go and so was the weather...the wet weather.

We will be selling the SAVOR cards here and at all events we do. We get \$7 for every card sold!

THE SIX OBJECTS OF KIWANIS

- Object 1** - To give primacy to the human and spiritual rather than to the material values of life.
- Object 2** - To encourage the daily living of the Golden Rule in all human relationships.
- Object 3** - To promote the adoption and the application of higher social, business, and professional standards.
- Object 4** - To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
- Object 5** - To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- Object 6** - To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.
