## Scholarship Went to the Right Person...

It is always a good thing, when good things happen. Good things did happen at our last meeting as Sierra Seamon became the Maria Mychaniak Scholarship recipient!

Her record showed how hard she had worked, at home, at school and in her job place.

She had been involved with several clubs throughout her school years, excelling in them all. Her hard work and tireless schedule led her to the top of the name lists for the scholarship.

No doubt that her next 4 years will make us, and her family realize her potential and hopefully we will hear from her next year and throughout her tenure through her college years.

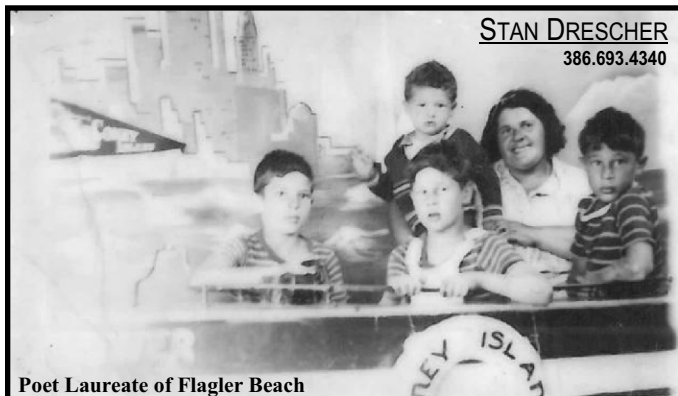

## Our 10th Birthday Celebration...

Plans have changed a few times as we are gathering information, picking food sources to supply us with the appetizers etc. needed to serve the 50-70 guests we will be greeting and sharing our story with!

As the International Kiwanis 100th Birthday came around a while back we did a Chamber event and it was one of our best outings as far as gathering new members for the club.

If you have never been to a Chamber event, it will be an experience. PP Sandra was President of the Palm Coast Chamber for a year and it was a face-paced, crazy schedule but it was a great way to meet and greet new people from every kind of business and background that encompassed the community.

We've had a few changes of plans but our time and energy at the meeting will be centered around this event to get it going strong.

## Florida Kiwanis Convention...

Don't forget to get online and check out the Florida Convention coming up in August, you won't be disappointed if you can make it!!

Pricing for the rooms and convention are available on the FL Kiwanis website, flkiwanis.org.

This is truly a great experience and you get to see why Florida Kiwanis is right at the top of the Kiwanis food chain locally and we make a grand difference in the lives of many, many children and their families.

## First Fridays...

As always we will try again at the First Friday event...its' really not up to us to make sure it gets off the ground and for the 1st few months the ground has been soaked.

By the way, the band that was there last month, was "Anthony Wild and the Suspects" lead by Anthony who by the way is the Founder of Kids Rock the Nation. Anthony has gifted hundreds, if not thousands of guitars to kids and young adults with no charge to the families! Free guitars!

He is nation wide and soon to be world wide the way it has taken off since its inception some 7 to 10 years.

Artists such as Taj Mahal and Carlos Santana have worked with Kids Rock the Nation making it the real deal. It is only a matter of time and the name will have become a national name and endeavor.

## Important Future Dates...

JUNE 19 • MEETING

## *Just Around the Corner...*

Coming up next on our list of things to do will be the Bed Race. This event gains more notoriety each year and it seems to be more fun as the years go by.

We partner with Volunteer Services, Wheels in Motion Car Club and the City of Flagler Beach each year to bring this event to light and it has grown to be a crowd pleaser each year.

This years' theme will be "Heros & Villians". Watch for developments on this event!! It rocks!!

## *In the Future...*

Prez Elect Les has the water wheel turning, gearing up for another eventful event! If this next outing goes as well as the other one did, we may have to vote him "All In" Prez.

Keep in touch because right after the turn of the Kiwanis Key, and the holidays, we'll be answering to the leader of all leaders to take us to new heights once again.
