## July Pier Event...

We will be on the Flagler Beach Fishing Pier Thursday but don't bring your poles...

The Chamber Pier Event is Thursday and we will be setting up on the pier pretty close to where we were last year. Each member (our club) receives 3 passes and after that the cost is \$10.

Please advise at the meeting or by email if you can attend so we can get the information to the Chamber. Typically officers who attend will get the passes but if anyone can attend they can use the Presidents pass so please respond asap.

We will be serving up the SAVOR Cards and get the word out about upcoming events and also hand out water and Lemonade to the masses.

PE Les will be bringing out our canopy to set up so hopefully we can get members there early for the set up. Final plans will be made at the meeting so please try to attend if you can and help out with our clubs spot!

## Our 10th Birthday Celebration...

Plans are in the works for our 10 Year Party we are throwing for the Chamber Event After Hours.

PP Allen is putting together plans for the refreshments for the attendees. The event will be at Craig Flagler Palms on Old Kings Road.

We will be celebrating our clubs' 10th Birthday and share our hope and visions for the children and their families of Flagler County and beyond.

Watch for developments as we did this event for Kiwanis 100th Birthday Party and it garnished a few new members for the club.

## Florida Kiwanis Convention...

If you have signed up for the FL Kiwanis convention you are in for a grand weekend coming up in Orlando later in August.

It is a fast paced weekend with several meetings and workshops going on daily and with the Ballroom style dinner Saturday night Kiwanis comes alive on and off the stage.

The House of Delegates go over and either pass or decline on issues brought forth for voting.

Issues such as Kiwanis Dues are ruled by these meetings and after many years of denying a rate increase pricing for clubs and memberships, the Delegates ruled for an increase. Our man Treasurer Oral has issued a response to the Board and voting will decide the outcome of our clubs dues. Early figures are that our dues will increase a little under the mandated amount sent down from Kiwanis.

We have added a few new members in the past month and hope to build on that throughout the rest of our Kiwanis year.

This may be the second year in a row we have gained 5 new members during the year. We received a nice letter and Certificate from FL Kiwanis for bringing in the members and quite possibly will be getting another one from them soon!

Great work team!!

## Savor Cards...

If you are holding Savor cards get with PE Les for updated cards. Some great savings go along with these cards and we garnish \$7.00 for each card sold. The cards are updated to give buyers a full year to use their cards.

Choices for discounts are added periodically giving buyers more available venues.

## Just Around the Corner...

Coming up on our list of things to do will be the 2018 Bed Race. This event gains more notoriety each year and it seems to be more fun as the years go by.

We partner with Volunteer Services, Wheels in Motion Car Club and the City of Flagler Beach each year to bring this event to light and it has grown to be a crowd pleaser each year.

This years' theme will be "Heros & Villians". Watch for developments on this event!! It rocks!!

We had a Bed in the 4th of July Parade in Flagler Beach and with the help of some special young Villains & Super Heroes we made a great impression!

## Kiwanian of the Year...

Coming up at the end of our Kiwanian year we will picking a member that has gone all out to ensure this club moves forward to serve the children and their families of Flagler County.

Our club, of about 30ish members, is like most clubs in two ways...first there are the members that are at every event, help out with other functions, and just continues to help move the club forward...then there are the members who move the club forward by paying their dues and keeping sponsorships coming our way.

Both are needed to run a club like ours. We have a great mixture of intelligent business people, young and old, then throw in some retired hard workers, people who know how to get things done and bam! You've got a group of people who come together in different ways to get to the same end results...and that is putting smiles on all those faces we support!!

Think about someone who is at the top of the chain as far as being involved, moving this club forward no matter what it takes, and just plain pleasant to be around. It may be hard with we all we have to choose from.

## In the Future...

Prez Elect Les had the Event wheel turning, and it landed on Conner Lorre!!

Yes sir folks...The Return of Conner Lorre is soon becoming a reality with contracts already being prepared, signed, sealed and almost delivered...

Plans are in motion and Conner is as excited about coming back to our event as we are if not more.

PP Les secured the deal after a back and forth debate about which venue to secure for the night.

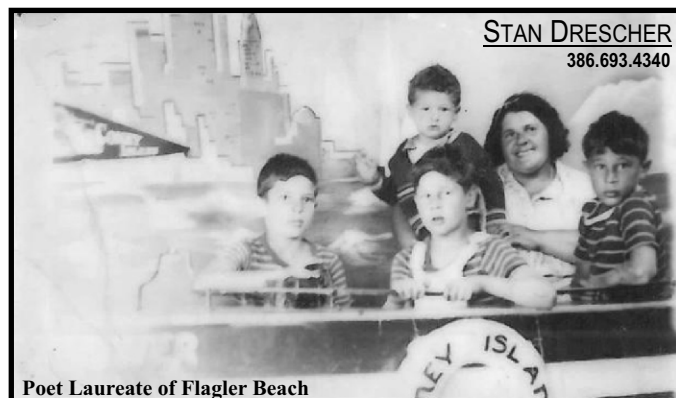

Several issues were on the table for the event, such as having to turn away almost 20 people for the first event. The debate was over moving the event to a bigger venue to allow for more seats, which leads to more ticket sales.

Details to follow!!
