July Pier Event...

We had a good outing at the Pier Event greeting loads of people from business owners to private citizens getting in on the action.

Prez Elect Les and his **3 person** crew set up and got things organized for us.

Lemonade was handed out to whoever needed a cool drink and as last year we shared the remaining GALLONS of the mixture with Flagler Beach Firefighters as they loved it last year...

Several SAVOR cards changed hands during the event and all in all the event was a success, especially for the gnats...

We hit few snags along the way to set up but all was good by the time the gates opened. We always seem to make an impact wherever we venture to.

Our 10th Birthday Celebration...

Sec. Linda P. held a meeting at the World Famous Hilton Garden Inn and some good ideas were discussed for our upcoming Chamber event Aug 16th.

The event will be Craigs Funeral Hall as the location was ok'ed by the Chamber. Oral met with the Chamber and went over all details for the event.

PP Allen will be handling the food and beverage portion of the event and member Cherie will be decorating etc... If you would like to help in any way speak up and join in the fun.

Our last outing with the chamber was a great success and hopefully we can keep that tradition moving forward.

Our Gem of a Member...

You always knew when Colleen was at one of our silent auctions...you could tell because our members were loading up a van with all the silent auction items...headed to Hammock Dunes! And or Hammock Dunes Resort!

Colleen was a one of a kind, who by the way, was a charter member of our club.

There is no telling (in dollars and cents) how much in prizes and giveaways she got for us from the resort where she had lived for many years.

If we had a few more Colleens we would be in a different financial category by now...

When we had a drive for house hold goods to donate her tub was always full of soaps and other necessities to be given out to whoever was in need.

Even after her illness slowed her down she still attended meetings and functions with the best of us. Her good will and temperament will live on with us forever.

She truly was a "one of a kind" club member, friend, and confidant.

A Memorial Celebration will take place at Craig Flagler Palms on Aug 18th from 4-6 pm.

This picture of Colleen was taken as she led cancer survivors on the first lap at the Relay for Life event held every year to support cancer survivors throughout Flagler County.

Just Around the Corner...

Coming up on our list of things to do will be the 2018 Bed Race. This event gains more notoriety each year and it seems to be more fun as the years go by.

We partner with Volunteer Services, Wheels in Motion Car Club and the City of Flagler Beach each year to bring this event to light and it has grown to be a crowd pleaser each year.

This years' theme will be "Heroes & Villians". Watch for developments on this event!! It rocks!!

We had a Bed in the 4th of July Parade in Flagler Beach and with the help of some special young Villians & Super Heroes we made a great impression!

Kiwanian of the Year...

A reminder to be thinking about your pick for Kiwanian of the Year as we will be crowning them at our Oct 2nd installation dinner.

Last years KOTY, Sec. Linda P., will be accepting nominations and will narrow the choices down to one hard working, wonderful member who always goes above and beyond to move our club forward.

More than likely, we all have a special person in our minds that have gone over the top to ensure our club goes in the right direction in helping children and families in our

In the Future...

It came down to a vote on the location of our next big event but our friend Connor Lorre will be returning to Flagler County and will performing his show at Halifax Plantation. We have had other events there and all went well.

Halifax Plantation has room for more guest so it was that thought that carried thru the different vendor. At our last show we turned away almost 20 guests because of not enough seats so we will try to fill the extra seats once again come March 2nd.

As stated earlier, Conner seemed more excited about coming back as we were that he was coming back! Nothing but things came out of the first show we had with him and there is no doubt Flagler County will remember him too.

Prez elect Les will putting together his team for this event so if you want a spot, hop on for the ride.

Double Duty...

This past weekend we had a few members pulling double duty (*not for the first time*) for the clubs' outings and goings on.

The First Friday event went well with PE Les and his crew of Kim, Gail, Mary, & Cherie...all under the watchful eye of Superintendent of the Works Stan. Savor Cards and Hammock Beach Resort tickets exchanged hands so it was a great night for the club.

The next day, Oral had the set up ready to go by the time any other members showed up, who just happened to be the newsletter guy and yes, once again, PE Les and Cherie. These two just can't seem to slow down and continue to raise the bar for service clubs in general. The club is lucky to have members like them, and the rest of our members who strive to move this wave forward.

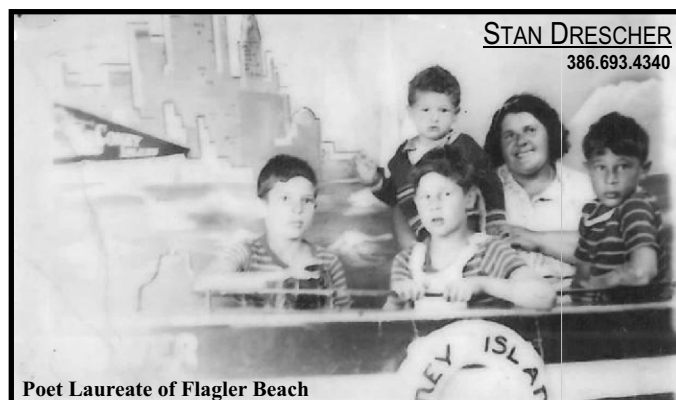

This years event was well received with throngs of people turning out to see what the Health and Safety fair had to offer.

We handed out many books and shared what we do here in Kiwanis. It was a great, productive meeting all in all!!

Why is Oral Smiling?
Because PE Les has our first commission check from the sell of SAVORCARDS!!
More than 300 beans on that piece of paper!!
Great job!!
