Conner Lorre...

*The challenge will be met with vigor, tenacity,
and some other words...*

*The "Challenge" you say? The challenge that
has been put in front of us?...*

Flagler County will have 2 great choices on how to spend a nice evening come March 2, 2019...shall we examine?

Our Conner Lorre show was a winner for us and county residents last year and there is no reason why this years' event can't produce another winner for us!

There will be two great events in town that night and there are enough residents for both so our job at hand is to do what this club does.

We have \$1000 towards advertising hitting the presses very soon that was donated by PE Allen and Craigs Dignity Memorial so it will generate some movement in ticket sales very fast for us.

Prez Les has packets for the taking so stick close for this ride and lets rock & roll...

DCM Meeting ...

The next DCM will be a big event as Division 7 Clubs will be donating the Sonogram machine to Grace House Pregnancy Center.

As you know Kiwanis FL Gov. **Stephen LeBlanc** will be joining us so lets' have a great turnout from the Little Club That Could.

Watch for developments on this event and try to attend if you can. Car pooling may be an option for the ride to Deland.

There are several different options with the conventions so visit the site and possibly you've gotten an email about it.

The conventions are exciting, fast paced and very informative for the members who attend the many workshops and exhibits on display throughout the property.
