DCM Meeting ...

The DCM meeting held in Deland was a huge success thanks to all the hard work Lt. Gov. Joe and his team put together.

The Grace House Pregnancy Center went away with tools that will hopefully help young Mothers decide which path to take when becoming pregnant.

The thought process behind this is that if a Mother can actually see their unborn baby, it may help them decide which way to go on a decision many have been faced with.

As you may or may not know the story behind this Sonogram machine, it was donated to Division 7 by a friend of fellow Kiwanian John Larue. The machine was refurbished to its original state and will be put to good use by the Grace House and their staff.

Joining us for this great day was none other than FL Gov. Stephen and his wife, First Lady Chris, who were on their world wind tour of FL Kwanis clubs.

TERRIFIC NIGHT ...

*The Place...Old Kings Elementary School
The Event...Terrific Kids Program
Turnout...Thru the Roof*

Another terrific night for the club and more importantly another great turnout with an awesome family presence.

Approximately 125 elementary students crossed the stage, some looking enthused and some looking like they just saw a ghost or some other well know monster. It will never cease to amaze those in attendance to watch their young go across the stage and get a medallion and a certificate for being Terrific Kids. and one thing for sure,,,we will never let that cease anytime soon, no matter what is it we have to do to keep this program going.

It is very refreshing for our members who attend the event to watch the children, as well as watching parents and other family members jockeying for position for the perfect photo to commemorate the nights goings on.

These children are our future...
