Special Speaker...

Prez Les has announced that we will have a Guest Speaker at our meeting.

Mr. Bill Ryan will be our Guest Speaker at Tuesday's Flagler County Kiwanis Meeting. He is retired and living in Palm Coast Florida after a lengthy career in marketing of high technology imaging equipment. He is webmaster for several local history groups, plus the Friends of the Flagler County Public Library. He has authored journals and papers on photographic imaging, and was also active in the development of an early digital color print system. He holds the degree of Craftsman from the Professional Photographers of America. Bill was a guest lecturer on professional photographic techniques and lighting. He held several U.S. Patents. Bill Ryan's career began with the Ansco Corporation, descendent of The Edward Anthony Company, America's first photographic manufacturing company. He did much to record the history of this early manufacturer, which supplied Mathew Brady with most of his supplies during the Civil War. He had accomplished some notable research on Civil War photographic techniques.

This promises to be a great way to gain knowledge about Flagler County and all its history!
