A Formal Affair ...

Florida Kiwanis Division 7 was recognized during the Grace House Gala at the Ocean Center in Daytona Beach with over 600 guests attending.

The night was filled with stories and thoughts about young mothers trying to figure out which way to turn in the early stages of pregnancy. The Grace House does a good job of turning stories around by giving young mothers a chance to see their unborn babies by showing them their little ones with the use of a sonogram...

A very special surprise for the gala attendees was when they announced there would be a "live" sonogram during the festivities. And what a treat it was!! You could hear the gasps while people were looking at the big screens that were showing the baby as it moved around in the mothers' womb. It was one of the best ideas ever thought of in the opinion of the guests attending.

Donations were the center of attention since Grace House depends on the support from surrounding communities to help keep the doors opened to serve the many people who need their services. Of course, the donation of the machine from Div. 7 was truly a great event in and of itself.

Kiwanis is in the business of taking care of the Children of the World...our job?...to make sure the Children of OUR World are taken care of.

The "Live" Sonogram was a huge crowd pleaser...

The Room was filled from one end to the other...
