## It's Been Awhile...

Well it's been awhile since we've had a Newsletter to share our endeavors and other goings' on...

Still a work in progress, I hope the NL can be back again with info and other tid bits to keep us all abreast of happenings within the club.

We were able to retrieve files from Ole Faithful but will need a newer file version to keep up with the times...

If anyone has any ideas for the NL, or wants something added to it please feel free to send me info or anything else that can be used to spread our passion.

Also, you will notice all logos on the back page have not been changed or updated. We will get to that once we are at 100% and can make changes etc.

## And Then This Happened...

Well we all know what "This" is, so things will be different for all of us for some time.

In our personal lives, we all have a plan, an objective, or whatever it takes for us to feel either comfortable in our lives, or just happy and safe.

Our County, State and Country are at a crossroads not traveled since before time itself. It will take a magnitude of knowledge, testing, and perseverance from all of us...both in our quest to support children and their families, as well as keeping our own situations in check.

Be informed, take action, and lets' keep up this tradition of helping children and their families anyway we can given the task that stands before us all.

We are as you know

## Be Alert...Bear Sighting ...

*So possibly we've had one eye witness report of our "Bear" program and how it works...*

One of our newest members, **Veronica Oistad**, reported online what she had encountered some days ago...

"Hi all,

I just wanted to let you know I witnessed an accident in Bunnell that had a child in the vehicle and I'm pretty sure I saw one of our Bears in Action!!

I don't think anyone was seriously injured but it was a very scary accident, so I'm sure the Bear was comforting to her.

Just thought you all would like to know!!"

Veronica

**WOW how cool is that?!**

Thanks Veronica!!!

## Stock Exchange...

We've had several winners in our latest fundraiser so we have about a week left to see how we made out with this project.

Hopefully everyone who sold tickets to their friends and family can rejoice in the fact that someone in their lives had won \$50 but we can also be thankful if not too many more people win!? *Did I say that out loud?*

All joking aside its' been a great way to not only be able to reward ticket buyers with \$50, it gets our name out there for all to see. It seems that everything we do here is always on the up & up and it brings to light our passion.

Thanks to all who sold tickets for this event!!

## When You Awake...

Well here we go again...inviting someone to make us crawl around on the floor, Moon Walk to Michael Jackson and anything else we are told to do...well if you can be Hypnotized you will be front row center on his stage.

World renowned Hypnotist/Comedian **Rich Guzzi** will be returning to Palm Coast and will be looking for the weak ones (*ie people who raise their hands*) to join him on stage for a night of uncanny acts of singing, dancing, laughter, and probably never seen before behavior from our guests and show attendees.

This will be a return visit for Rich as he basically sold out our first go around with his show. He travels extensively doing shows on land, cruise ships, and anywhere else that will take him. He has performed in basically all the big name venues across the country.

We will be using the Italian American venue again as they have a perfect layout for this show. The costs were also sweetened a little this time around for the club.

## K-Kids...

Let me say, as I've said before... "Miss Rita was right when she said the K-Kids run the meetings"...

Teacher advisor Miss Laura lets the club go about its' business and steps in only when needed. It is a good way to let the students learn early how to conduct a meeting and get things done which will help children and their families.

In the short time going to the meetings, I have gained more respect for the system in general and of course am happy that tomorrow's future is in good hands.

The students have collected books for the MHS Key Club which will be shared throughout the county. All the books were hand checked and separated to make sure the right books were distributed to the families.

Again, for the MHS Key Club, K-Kids gathered and accepted food donations that will be disbursed where needed. Several boxes of food were checked, separated and re-boxed for distribution.

Our students are doing great things for the county and we can only hope to get them back to work ASAP to continue do serve the families of Flagler County.

## OUR SUPPORT TEAM!!

We are lucky to have Championed with these fine sponsors in the past and their continued support is a main cog in our wheel of giving back to the community. Over the last few years, they have shared with us some great giveaways and other opportunities to help give back to the children of Flagler County.
